9	Are there any transfers of personal data to third countries or international organisations? If so, to which ones and with which safeguards?	No
10	General description of security measures, where possible.	The electronic documents relating to the mobility are filed in a secured resource on ESMA's server. The only persons with access to the folder are the authorised persons with a valid need-to-know. Some administrative data (mainly for the mobility procedure) are saved in the electronic automated system Allegro (change of position/job title, start/end date of the assignment/ transfer). The only persons with access to the secured resource are the HR authorised persons.
